The feast of Moshiach - song

All around is dark
I feel so alone*
Where is justice*
Oh! how much can we groan*
What is the purpose*
I cannot understand

No no! don't you cry!
Hold* your head up high*
In just one minute everything
will flip*

No no! don't you cry!
Hold your head up high
In just one minute the scale*
will tip*

The shofar will loudly blow*
|And the whole world
will know
Moshiach is here
forever more*

happily we'll dance and sing
and thank Hashem
for everything
Moshiach is here,
forever more.
