

The Shofar

The *shofar* is made from a ram's horn. One of the most important *mitzvot* is to hear the hundred sounds come from the *shofar* in the synagogue each day of *Rosh Hashanah*. There are three different kinds of *shofar* sounds:

There is also a "long *Tekiah*" (*Tekiah G'dolah*).

The little *shofar* blew a "long *Tekiah*" and all of the words got stuck together! Separate the words, write them and translate them.
